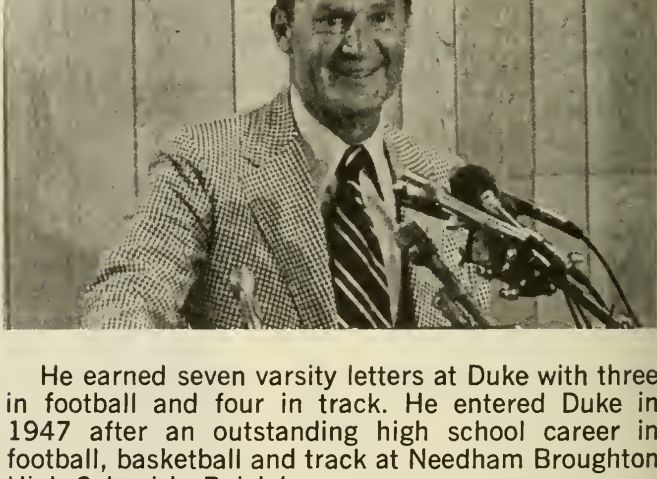
DIRECTOR OF ATHLETICS

Carl C. James
(Duke '52)

Carl James assumed the duties as Director of Athletics at the University of Maryland on September 1, 1978. He is directing an athletic program that includes 23 sports for men and women, has a staff of 115 and a budget of over $3 million.

James came to Maryland after serving as Director of Athletics at Duke University from 1969 to 1977 and as the Executive Director of the New Orleans Mid-Winter Sports Association until assuming his duties at Maryland.

The 49 year old native of Raleigh, North Carolina has an outstanding business background in addition to his intercollegiate experience. He has served as Sales Manager and in Employee Relations with Roadway Express and as Sales Representative with Atlantic Refining Company and on special assignment with Bryan-Cooper Oil Company.



He earned seven varsity letters at Duke with three in football and four in track. He entered Duke in 1947 after an outstanding high school career in football, basketball and track at Needham Broughton High School in Raleigh.

He played football under Wallace Wade and Bill Murray at Duke, where he later joined the staff as assistant to the Athletic Director in 1954. He was the Blue Devils' chief recruiter and recruited a half dozen All-Americans in football.

He left Duke in 1966 but returned in 1969 as Associate Athletic Director. He has been active in the Fellowship of Christian Athletes and has served as Chairman of several Atlantic Coast Conference committees and on numerous NCAA committees.

He is married to the former Marjorie Anne Pettit, also a Duke graduate.

Charles G. "Lefty" Driesell

(Duke '54)

Coach Driesell is entering his tenth year as the Mentor of the University of Maryland Basketball program and his nineteenth year as a Major College Head Coach.

In nine years at Davidson "Lefty" won 176 games and had only one losing season his first as a head coach in 1960-61. In nine years at Maryland he has won 180 games, despite playing in the toughest Basketball league in the nation. He has not had a losing season at Maryland and put together a string of five consecutive 20 plus victory seasons from 1971-72 through the 1975-76 season.

"Lefty" has recorded 356 wins as a head coach while winning 72 percent of his games to rank as one of the Winningest Active Major-College Coaches in the nation.

NCAA Statistice Service lists "Lefty" as fourteenth Winningest Major-College Coach of All-Time, among the coaches with at least 300 head-coaching victories at four-year colleges and a minimum of 10 years at a major college. Only two of the top fourteen are still active coaches.

"Lefty" also ranks fourth among those active coaches with 15 years service and tenth among those with at least a five year record.

"Lefty" started his coaching career as a Junior Varsity Coach at Granby High in Norfolk, his hometown and continued on to become the best in his profession in the history of the state, with 57 consecutive wins at nearby Newport News High. His ability to teach fundamentals became evident immediately for where is there a better test than developing junior varsity talent. His first junior varsity team won 18 of 22 games and he then continued with the talent he had helped develop to win 15 of 20 with the varsity team at Granby.

After moving to Newport News High for two years he left with not only a 57 game winning streak behind him but a state championship and 64 wins in 70 games.

When "Lefty" took over the dormant program at Davidson College his coaching ability became immediately evident as with the talent on hand he recorded the best record Davidson Basketball had achieved in five years and in only his second year led the Wildcats to their first winning season in 13 years. In only his third season Davidson had recorded its first 20-victory season in 54 years of competition and had achieved national prominence.

After leading Davidson to six 20-victory seasons (6 teams in top 20) and a 27-3 record in 1969, "Lefty" accepted the challenge of another building program and moved on to College Park, Maryland.

Again "Lefty" with the talent on hand transformed a loser into a winner. He recorded a 13-13 season in his first year and followed with a 14-12 and then in only his thrid season led the Terps to a 27-5 record and a National Invitational Tournament Championship.

He followed that with a 23-7 record and a berth in the NCAA Eastern Regional Finals and then a 23-5 season with third or fourth place national ranking depending on which poll or publication you follow.

A berth in the NCAA Midwest Regional Finals followed with a 24-5 record, a fifth place ranking and an ALL-Time NCAA record for field goal accuracy, hitting .547 percent from the field. It was his second NCAA field goal accuracy record with the first coming at Davidson.

His 1975-76 team gave him five consecutive 20-victory seasons at Maryland with a 22-6 record and ranked eleventh in the nation.

"Lefty" with staff (from left) Joe Harrington, Coach Driesell, Wil Jones, Bill Turner.

No NCAA team has ever been more proficient at shooting, his teams always rank among the nation's leaders in scoring, rebounding, free throw shooting and winning. He has never had a team out-rebounded, despite the lack of height on some teams. He has often deviated from his basic philosophy to adjust to the talent on hand and this is the toughest job any coach has.

Nine of his teams have topped the 50 percent mark in field goal percentage. Ten of his teams have scored over 80 points a game including the

Maryland record of 89.9 in 1974-75. Eleven of his teams have won over 20 games in a season.

"Lefty" stresses the man-to-man defense, feeling that in order to be a well rounded basketball player, in order for a team to win a national championship and in order for a team to utilize all of its natural talent it is necessary to play the game man-to-man.

All of this has contributed to "Lefty" winning 356 games in just 18 years as a Major College coach, for an average of 19.8 victories a season.

Even when "Lefty" is taking one of his short vacations he is where the action is. On July 12 of 1973 while surf fishing at Bethany Beach, Delaware around midnight "Lefty" was credited with helping save the lives of at least 10 children and several adults from burning buildings in a townhouse complex near the beach. As a result of this "Lefty" was honored with the NCAA "Award of Valor" becoming the first coach to receive the award.

"Lefty", his attractive wife Joyce and their children Patty, Pam, Carolyn and Charles are members of the Colesville Presbyterian Church. "Lefty" was born on Christmas day 1931.

TO THE NEWS MEDIA

We have prepared this handy facts booklet for your use in covering Maryland Basketball. As per the requests of the media we have limited the material to the basic facts you will have use for at the games.

We hope you will be able to visit us in Cole Field House during the season. Our offices are located in room 1145.

The press room is located one flight up from the main floor at the rear of the building. We will have adequate telephons available for your use in transmitting your copy and the sports information office will have two telecopiers available at all games.

Press interviews following the game will be conducted in accordance with the Atlantic Coast Conference policy.

The Winning Coach will be available outside his locker room 10 minutes after the game has ended and at that time the locker room will be open to ALL MEDIA. The players will remain dressed and be available for 15 minutes at which time the locker room will be cleared.

The Losing Coach will be available outside his locker room 15 minutes after the game ends and the locker room open at that time for a 15 minute period.

Any change in this policy when a non-conference opponent is involved will be announced to the press.

Only working press will be admitted to the Working Press Section, the Locker Rooms and the Press Room. Only accredited photographers on assignment and game personnel are permitted on the fringe of the court.

Press Parking will be on the promenade level of Byrd Stadium and the Press entrance is at the rear of Cole Field House.

For additional information and special requests please send all correspondence to the following address. P.O. Box 295
